Please note the technical data of the products!

**Article Number:** 828189

### Safety Instructions:

- Choking hazard due to small parts that could fall off during operation.
- Caution: The use of non-recommended batteries can lead to overheating.
- Keep the radio-controlled wall clock out of the reach of children to prevent accidental use.
- Avoid using the clock in a damp environment to prevent damage to electronic components.
- The watch must be attached to a stable base to prevent falls and possible injuries.
