Safety Instructions:

- When using the height-adjustable table, care must be taken to ensure safe handling in order to avoid injuries.
- Ensure that the table is placed on a stable, level surface to prevent it from tipping over.
- Heavy or uneven loading should be avoided to prevent tipping.
- Use of the table near water sources should be avoided in order to minimise electrical hazards.
- The relevant safety information must be observed in the installation instructions and instructions for use.
- Children should not be left unattended near the height-adjustable table.
