Safety Instructions:

- Ensure that the keyboard drawer is mounted correctly to guarantee stable use and prevent it from tipping over.
- Ensure use on suitable surfaces to avoid wobbling or slipping.
- Provide clear safety information and assembly instructions.
- Before use, check that all parts and assembly materials are included.
- The maximum load on the keyboard drawer must not be exceeded in order to avoid stability problems and weight damage.
- Observe special safety measures for children, the elderly and people with disabilities.
- Use the product in accordance with the installation instructions to avoid injury.
- Keep the area around the keyboard pull-out free of obstacles to avoid tripping hazards.
- Product is intended for use by adults; do not allow children to play unsupervised.
- Avoid liquids in the vicinity of the product to minimise electrical hazards.
