Article Number: 155382

Safety Instructions:

- The product is for self-assembly. Make sure that all parts are assembled correctly to avoid injury.
- Make sure that no heavy or unstable objects are used when tilting the Utensilio to prevent it from falling.
- Please keep the Utensilio away from direct heat sources to avoid material damage and possible fire hazards.
- The product is not suitable for children under 3 years of age, as small parts can pose a choking hazard.
