Article Numbers: 144112, 144106, 144105, 144104, 144103, 144102, 144101

Safety Instructions:

- Test the product with disinfectant on a non-visible area before cleaning to prevent material damage.
- Follow the instructions supplied during installation and handling.
- Do not use closer than the reach of children under 3 years of age, as small parts could be swallowed.
- The chair is stackable, do not exceed the maximum height of 10 pieces to minimise stability risks.
- Ensure that the chair dimensions are suitable for use, including seat height and seat shell stability.
- Do not place the product near naked flames or hot surfaces to avoid the risk of fire.
- Ensure that the product is set up on a stable and secure surface to minimise the risk of tipping over.
- Recommended for use only by adults or under supervision with appropriate protective equipment in an environment with chemical cleaning agents.
- Regularly check the stability and avoid damage to minimise the risk of injury.
- Do not leave unattended for use near children to avoid the risk of falling and injury.
- Observe the recommended weight limit to minimise the risk of injury.
