Article Numbers: 135028, 135027, 135026, 135025, 135024, 135023, 135022, 135021, 135020, 135019, 135018, 135017, 135016, 135015, 135014, 135013

Safety Instructions:

- The product is not suitable for use by children. Keep out of the reach of children to avoid the risk of choking on small parts.
- Keep the container out of the reach of small children to avoid the risk of choking.
- Ensure that the waste bin is placed on a stable surface to prevent it from tipping or falling over.
- Protect from direct sunlight and extreme heat to avoid material deformation or wear.
- Store the container away from naked flames or hot surfaces to prevent material damage or fire.
- Hand washing is recommended after handling the product, especially after contact with waste.
- Regular maintenance and cleaning of the product is required to avoid hygiene risks.
- Risk of suffocation due to improper handling of the container or small parts; ensure proper use.
- Warning against using the container for purposes other than those intended.
- Avoid overfilling the container to prevent leakage and damage.
- Do not fill beyond the contradicted packaging capacity to avoid overflow.
- Observe maximum capacity: do not overfill to avoid damage to the appliance.
- Safety information must be provided in simple, understandable language.
- Visibly affix the manufacturer and contact information to the product.
- Do not throw any sharp objects into the waste bin to avoid the risk of injury.
- Avoid injuries caused by the pedal mechanism through correct use.
- Ensure that the pedal mechanism is not blocked to prevent damage.
- Regularly check for damage or cracks to ensure safety.
