Safety Instructions:

- Not suitable for children under 3 years due to choking hazard from small parts.
- Observe maximum drawer load: no more than 45 kg.
- Make the castors lockable when using the roll container to prevent accidents.
- Check the central locking system regularly to ensure the security of the documents.
- The mobile pedestal can tip over if used incorrectly. Therefore, always make sure it is placed on a stable base.
- Use the centre lock and pull-out lock to prevent unintentional opening.
- Check the maximum load capacity of the drawers (18 kg for steel drawers, 45 kg for telescopic full-extension runners).
- Include safety instructions in a language that is easy for users to understand.
- The drawers can tip over if handled incorrectly. Ensure safe use.
