Safety Instructions:

- Make sure that the table is placed on a stable and level surface to prevent it from tipping or falling over.
- The table top made of ESG frosted glass can break if handled improperly. Take care when handling sharp objects and when cleaning with suitable agents to avoid scratches and damage.
- Keep out of the reach of children, as small parts of the table can pose a choking hazard. Not suitable for children under 3 years of age.
- Regularly inspect the floor gliders to prevent slippage or damage.
- Unstable balance in certain configurations with several table tops. Take care when joining them together.
- Avoid standing on the table to prevent it from tipping over or breaking.
- Avoid overloading, the maximum weight should not be exceeded.
- Keep the table away from direct heat sources to prevent damage to the table top.
- To avoid injury, do not use the table as a chair or for sitting on.
