### Safety Instructions:

- Do not exceed the maximum load of 110 kg to avoid safety risks.
- Ensure that the height adjustment is safe and stable and is only carried out in accordance with the instructions to prevent falls and injuries.
- Use a non-slip base plate and check regularly for slip resistance to minimise the risk of falling.
- Ensure safe placement on a stable, non-slip surface to minimise the risk of accidents.
- Not suitable for children under 12 years of age; improper use may pose a risk of injury. Keep the stool out of the reach of children.
- Give users clear instructions on how to use the stool safely.
- Do not use the stool for climbing or as a piece of furniture without a secure height.
- When using the stool, ensure that there is sufficient distance from other objects around it.
