Safety Instructions:

- Do not overload drawers, maximum load is 40 kg.
- Avoid trapping hands or fingers when closing drawers.
- Ensure that the product is standing on a stable, level surface to prevent it from tipping over.
- Use a central locking system to prevent unauthorised opening of the drawers.
- Only use the plan cabinet for its intended purpose.
- Keep out of reach of children or use only under supervision.
- Use the plastic glides supplied to protect the floor.
- Close all drawers properly before moving the cabinet.
- Do not use excessive force when closing drawers to avoid damage.
- Do not use the product near water or moisture.
- Ensure safe handling and correct installation to avoid injury and damage.
