Please note the technical data of the products!

Article Number: 175721

Safety Instructions:

- Young children may see the plastic bags as toys and try to put them in their mouths, which can lead to choking.
- The film pockets are made of plastic, which can tear and leave sharp edges if used incorrectly.
- Keep the film bags away from direct heat or open flames to prevent the material from melting or igniting.
- Only use the bags for their intended purpose to avoid damage and injury.
