Safety Instructions:

- Not suitable for children under 3 years of age as small parts could be swallowed. Keep out of the reach of small children to avoid the risk of choking.
- Keep the corner clamping folder away from moisture, extreme temperatures and direct sunlight to prolong its service life.
- Use only for the intended purpose; do not overload the folder or the elastic band, use a maximum of 250 sheets (80 g/m²).
- Regularly check for damage and ensure that the elastic band is not damaged, too tight or too loose to prevent breakage or unexpected opening.
- Do not use near sources of fire and follow the safety instructions on the packaging.
