Safety Instructions:

- Keep the appliance away from children.
- Do not use the appliance in damp or wet environments to avoid the risk of electric shock.
- Make sure that the mains cable is not damaged and that there are no obstacles in the way.
- Wear suitable protective equipment, such as gloves and safety goggles, when using the appliance.
- Empty the dirt container regularly to ensure optimum suction power and avoid overheating.
- Ensure that no objects are vacuumed that are not suitable for the appliance (e.g. sharp or flammable materials).
