Please note the technical data of the products!

Article Number: 170422

Safety Instructions:

- The product is unbreakable and offers a lower risk of injury during handling.
- It should be noted that the sleeves are not suitable for children under 3 years of age, as small parts can pose a choking hazard.
- Keep the product away from extreme temperatures and moisture to ensure it is unbreakable.
- Take particular care when transporting the covers to avoid damage.
