Safety Instructions:

- Make sure that the table is placed on a stable and level surface to prevent it from wobbling or tipping over.
- Only use the table in the intended frame and avoid excessive loads that could lead to damage.
- Keep small parts, such as the plastic edge protector, away from small children to avoid choking hazards.
- Follow the assembly instructions carefully to ensure that the table is assembled correctly and safely.
- Avoid the use of aggressive cleaning agents to protect the coating and ensure the longevity of the product.
- Do not place any sharp objects directly on the table top to avoid damaging the melamine resin coating.
- Keep the table away from heat sources, as the materials can be damaged by high temperatures.
