Article Numbers: 194051, 194050

Safety Instructions:

- Ensure that the cabinet is stable to prevent it from tipping over.
- Do not store heavy objects in excess of the maximum load of 50 kg per shelf.
- During assembly, ensure that all parts are correctly fitted.
- Use only as intended to avoid injury.
- Keep the change cylinder lock closed to prevent unauthorised access.
- Securely fasten the cabinet during dismountable transport to prevent injuries.
- Make sure that the sliding doors are fully open before removing the contents.
- The cabinet may only be used by adults or under adult supervision.
- The sliding doors must not be blocked to avoid injury.
