Safety Instructions:

- Maximum load per shelf: 50kg. Take care not to overload the cabinet.
- Ensure that the cabinet is placed on a stable, level surface to prevent it from tipping over.
- Use the sliding doors carefully to avoid injury.
- Keep the cabinet away from children to minimise the risk of injury from pinching or small parts. Not suitable for children under 3 years of age.
- Only use the keys supplied for the interchangeable cylinder lock and keep them in a safe place. Make sure that the lock is working properly.
- During installation and use, ensure that the doors are correctly aligned and functional to avoid the risk of crushing and injury.
- Do not use for the storage of live animals or hazardous materials.
- If used incorrectly, there is a risk of injury due to the cabinet tipping over.
