Please note the technical data of the products!

**Article Numbers:** 135175, 135174, 135173, 135172, 135171, 135170, 135169, 135168, 135167

### Safety Instructions:

- Ensure that the assembly instructions are clear and that the bench is assembled in accordance with the instructions; incorrect assembly can lead to injury.
- Before each use, ensure that all screw connections are tightened and that the bench is stable on a level and stable surface to prevent it from tipping or falling over.
- Regularly check the stability and safety of the bench. Discontinue use if there are signs of damage or wear.
- The bench has a maximum load capacity that should not be exceeded to ensure stability and material integrity.
- The bench is not suitable for outdoor use; weather influences can affect the structure.
- Children should only use the bench under adult supervision to avoid the risk of injury. Note: Not suitable for children under 3 years of age.
- Avoid sudden movements or jumping/climbing on the bench to prevent accidents.
- Use non-slip mats under the feet of the bench to prevent slipping.
- The bench is suitable for damp rooms, but should not be used in flooded areas. Avoid direct contact with water to prevent damage.
- Keep the bench away from heat sources and aggressive chemicals to prevent damage.
- Dispose of packaging materials carefully and stow small parts safely to avoid the risk of suffocation.
