Safety Instructions:

- Ensure that the waste bin is not exposed to excessive heat or moisture and is not placed near sources of heat or naked flames.
- To avoid accidents, do not hold the lid of the container with your hand when closing it.
- The pedal bin is not suitable for children under 3 years of age due to the risk of suffocation or injury from improper use. Children should generally be kept away from the container so that it is not regarded as a toy.
- Regularly check the pedal system for proper functioning and exercise caution when handling to avoid jamming.
- Avoid using aggressive cleaning agents so as not to damage the surface of the stainless steel.
- Before use, check the product labelling for instructions and safety information and follow the instructions for use.
- There is a risk of slipping through the pedal if used incorrectly. The product should be cleaned and maintained regularly to ensure hygienic conditions.
- Do not overload the product and it must be used on a stable surface to prevent it from tipping over.
- The instructions for safe use and care of the product should be included in a comprehensible form.
