Please note the technical data of the products!

Article Numbers: 135090, 135089

Safety Instructions:

- Choking hazard due to improper handling of small parts.
- Caution at high temperatures: operating range is between -10 and +50 degrees.
- Maximum operating pressure: 10 bar. Overpressure can lead to dangerous situations, avoid damage.
- Protection class IP 65: Suitable for wet environments, protects against dust and splash water, but not against permanent immersion.
- Careful installation required to avoid leaks and loss of fluid.
- Do not use in conjunction with aggressive chemicals.
- Use suitable personal protective equipment (e.g. gloves) to avoid skin contact with liquids.
