Safety Instructions:

- The ink cartridges are not suitable for contact with the eyes. In the event of contact with the eyes, rinse thoroughly with water immediately and consult a doctor.
- Keep out of the reach of children. If swallowed, seek medical advice immediately.
- Improper disposal of the cartridges can cause environmental hazards. Please observe the local regulations for disposal. After use, dispose of the ink cartridge in accordance with local regulations.
- Use only in accordance with the printer and the instructions recommended by HP. Only use the cartridge with compatible printer models.
- Do not store near food. Keep out of the reach of children.
- Observe the location and language of the instructions for use or safety information. Observe the instructions for safe use and handling in the instructions for use.
- Do not disassemble the ink cartridge or attempt to repair it. Do not open or puncture the cartridge.
- Avoid contact with the ink as it can be harmful to your health. In the event of contact with ink, rinse the affected area thoroughly with water. In the event of skin or eye contact, rinse immediately with water and consult a doctor if necessary.
- Printer cartridge could leak or break if used incorrectly.
