Article Number: 175776

Safety Instructions:

- Make sure to mount the wall bracket securely to avoid the risk of it falling over.
- Only use the screws included in the scope of delivery for fastening and ensure that the wall has the necessary load-bearing capacity.
- Keep sufficient distance from electrical cables during installation.
- The height of the mount and the position of the monitor should be selected so that ergonomic viewing is possible.
- Regularly check the fastenings and the stability of the bracket to ensure that it is still secure.
