Safety Instructions:

- Before use, ensure that the ring spanner is properly tightened to prevent accidents at work.
- The use of ring spanners requires appropriate protective equipment, such as safety goggles and gloves.
- Do not use the product near water or in damp environments to avoid short circuits in electrically powered tools.
- The product should be handled by trained personnel, especially for larger sizes to avoid injury.
- After use, store the ring spanner in the roll-up bag in a safe place to prevent damage and injury.
