Safety Instructions:

- Make sure that small parts cannot be swallowed by small children to avoid the risk of choking.
- Use the scissors with caution and only under adult supervision to prevent injury.
- The laser pointer should not be pointed directly into people's eyes to avoid eye injuries.
- Keep all parts of the presentation case away from moisture and extreme temperatures to prevent damage.
- Check the condition of the flipchart markers and jumbo markers regularly; replace empty markers immediately to ensure safe use.
