Article Numbers: 165343, 165342

Safety Instructions:

- 4 lockable castors ensure a secure stand to prevent tipping over.
- Do not use the product near water or steaming appliances to avoid electrical risks.
- Enclose suitable instructions for safe installation and use.
- Ensure that children cannot use the product improperly as it is equipped with heavy components.
- Do not handle the magnetic surfaces improperly to avoid injury.
- Take care when using on smooth surfaces to minimise the risk of slipping.
- Check for possible damage to the board surfaces before use.
- Provide instructions and safety information in a language that users can understand.
- Care must be taken to ensure that the board is not used by small children unsupervised in order to avoid injury.
