Safety Instructions:

- Always lock all swivel castors to ensure stability.
- Only use the cabinet on level surfaces to prevent it from tipping over.
- Do not place more weight on the shelves than recommended by the manufacturer to ensure safety and stability.
- Keep the closing doors closed when the cabinet is not in use to avoid injury.
- Ensure that swivel castors function properly during use.
- Do not overload cabinet doors to prevent mechanical breakage.
- When using in offices or conference rooms, ensure there is sufficient space to avoid traffic obstructions.
