Safety Instructions:

- Make sure that the cabinet is placed on a stable, level surface to prevent it from tipping over.
- Use the locking brakes on the castors to secure the cabinet when stationary.
- Keep the cabinet away from heat sources and liquids to prevent fire and water damage.
- Only load the cabinet up to its intended load capacity and only use it for its intended purpose.
- Avoid forcing the doors open or closed during use.
- To avoid injury, only lift the cabinet using the handles provided.
- Only use the cabinet on shelves that are suitable for the castors to avoid damage.
- Read the installation and operating instructions carefully before using the cabinet.
