Please note the technical data of the products!

Article Numbers: 66897, 165331

Safety Instructions:

- Choking hazard due to small parts that may result from improper use.
- Ensure that the tape is kept out of the reach of children to avoid potential hazards.
- Caution: The tape may leave adhesive residue. Take care when removing, as residue may occur.
- The product adheres to many surfaces, but not all are suitable for all surfaces.
- Water-repellent, but not designed for permanent contact with water.
- UV resistance does not mean that the tape can withstand UV radiation indefinitely.
- Do not consider as food or use for applications that require contact with food.
