Safety Instructions:

- Ensure careful handling and secure sharp edges to avoid injury from sharp edges or fragments.
- Ensure that the wall brackets are fitted properly and with the recommended fixing materials to prevent chipping or falling and to prevent the sign from falling down.
- Keep the insert film out of the reach of children to avoid the risk of suffocation.
- Avoid contact of the product with water and other liquids, especially in the vicinity of electrical components.
- Suitable tools are required for installation; these may not be included in the scope of delivery.
- Consider the visibility and accessibility of the sign when using it in public areas.
