Safety Instructions:

- Choking hazard due to small parts, especially if not used as intended; could pose a danger to small children due to possible small parts.
- Take care when handling sharp edges of the zip fastener; avoid injury and damage due to improper handling.
- Do not store the product near open flames or at elevated temperatures; keep away from fire.
- Do not use for food storage unless labelled accordingly; not suitable for direct contact with food.
- Store and use out of the reach of children.
- Provide information on safe use, storage and disposal in the instructions supplied.
- Remove the bag from sharp or pointed objects.
- Do not use packaging as a toy; only suitable for children under supervision.
- The finger loops should not be overstretched to avoid damage.
