Safety Instructions:

- Caution: Keep away from small children and vulnerable persons as there is a risk of injury from moving parts.
- Do not bring into contact with water, as the document shredder is electrically operated and may cause electric shocks.
- Ensure safe use in accordance with the instructions in the manual to minimise the risk of accidents.
- Regularly check the cutting blades for damage to ensure the safety and performance of the appliance.
- If the appliance overheats, disconnect it from the power supply immediately and allow it to cool down.
