Safety Instructions:

- Not suitable for children under 3 years of age as it may contain small parts that pose a choking hazard.
- Keep away from skin and eyes as the colour may be irritating.
- Do not leave the ink pad open to prevent it from drying out.
- Not suitable for contact with food.
- Follow the instructions for proper use to avoid health risks.
- Keep out of the reach of children.
- Use only with stamping inks intended for this purpose to avoid skin reactions.
- In the event of skin contact with paint, wash off immediately with soap and water. Take care when handling ink; wash off immediately if it gets on the skin.
- Using the ink pad with unsuitable colours or chemicals can lead to health risks.
- Products used by children should always be under the supervision of an adult.
- Do not apply to eyes or damaged skin to avoid irritation.
- Only recommended for use by children under adult supervision.
- Protect packaging from direct sunlight and moisture.
- If the ink pad leaks, wipe off immediately with water. Do not use on fabric as permanent stains may occur.
- Easy to use according to the enclosed instructions to avoid risks.
- Avoid direct contact with the skin to prevent allergic reactions.
