Safety Instructions:

- Not suitable for children under 3 years of age as small parts could be swallowed, causing a choking hazard.
- Avoid contact with eyes and skin. In case of contact, wash immediately with soap and water.
- Stamping ink can cause allergic reactions. Exercise caution and consult a doctor in the event of a reaction.
- Keep out of reach of children to prevent unauthorised access, especially if the cushion is not secured.
- Do not use near flames or heat sources.
- If inhaled or swallowed, contact a doctor immediately.
- Not suitable for contact with food and do not store near food.
- Only use the ink pad in accordance with the manufacturer's instructions.
- Please keep the packaging before use for instructions on safe use.
