

Product Safety Information

Profile rail, for wall mounting of Eichner card boards series 9219

Please note the technical data of the products!

Article Numbers: 165556, 165555, 165552, 165312

Safety Instructions:

- Securely fasten and correctly mount the rail to avoid the risk of falling.
- Use suitable screws and plugs depending on the wall type (e.g. concrete, plasterboard).
- Ensure that the rail is not energised when electrical accessories are being used.
- Regularly check the stability of the mounted rail and map boards.
- Rail is not intended for children. Keep children away from the installation and ensure supervision.
- Avoid overloading the rail and card boards beyond the specified maximum load capacity.
- During installation, ensure that there are no sharp edges or protruding parts to avoid injury.
- Provide safety instructions in understandable language.
- Use the rail only for mounting Eichner Series 9219 card boards to ensure safety and functionality.
- Check the load-bearing capacity of the wall before installation to prevent slipping.
- The surface on which the rail is mounted must be able to bear the weight of the boards.
