Safety Instructions:

- Caution when mounting: Make sure that the table clamp is firmly attached to prevent the bracket from slipping or falling over.
- Make sure that the tablet sits securely in the holder to prevent damage to the device.
- Avoid overloading the holding arm to minimise the risk of mechanical damage or breakage.
- Regularly check the stability and condition of the bracket to ensure safety.
- Make sure that there are no cables or other objects in the area of the bracket that could cause a tripping hazard.
