### Safety Instructions:

- Not suitable for children under 3 years of age as small parts can be swallowed or there is a choking hazard.
- Avoid direct contact with the skin, as the materials can cause allergies.
- Do not use near open flames or high temperatures as the product may melt.
- Read the instructions for use and safety instructions before use.
- Take care when using the scooter on uneven surfaces to prevent it from slipping.
- Do not inhale or bring into contact with eyes. In case of contact with skin, wash off immediately with soap and water.
