Article Number: 193851

Safety Instructions:

- Make sure to install the mounting material safely to avoid accidents.
- The top of the wall ashtray is designed to allow cigarettes to be safely stubbed out. Make sure that this is used correctly.
- Keep the wall ashtray out of the reach of children and pets to minimise the risk of injury.
- Regular emptying of the ashtray is necessary to avoid overfilling and possible fire hazard.
- Please note that the wall ashtray is made of stainless steel, which should be protected from rustic conditions.
