Article Numbers: 320950, 320949, 320948, 320947, 320946, 320945, 320944, 320943, 320942, 320941, 320940, 320939, 320938, 320937, 320936

Safety Instructions:

- Ensure protection against impact with steel toecap and steel midsole.
- Maximum protection (safety level S3), suitable for commercial environments, keep away from explosive atmospheres and extreme temperatures.
- Not suitable for children; keep out of their reach and only use under supervision.
- Not suitable for wet or damp environments; take care on slippery surfaces due to increased risk of slipping.
- Regularly check shoes for wear and damage (sole and steel toe cap) in order to maintain protective functions.
- Use only for the intended purpose and the intended areas of application (not in electrical or chemical environments without ESD certification).
- Risk of impact and crushing due to improper use or incorrect shoe size; check fit before wearing.
- Store shoes clean and in a dry place to prevent material damage.
- Wear suitable clothing and protective measures in accordance with health and safety regulations.
