Article Numbers: 156791, 156790, 156789, 156788, 156787

Safety Instructions:

- Do not exceed the maximum surface load of 450 kg to avoid damage and injury.
- Make sure that the workbench is stable and on a level surface to prevent it from tipping over.
- Avoid children using the workbench and keep children away from the workbench.
- Avoid placing the workbench in damp environments to prevent damage to the wooden surface and mould growth.
- Do not use the drawers as a climbing aid and ensure that they are securely closed to avoid injury.
- Check and use the castor brakes regularly to prevent the mobile workbench from rolling away unintentionally.
- Risk of suffocation due to improper handling of small parts, especially the handle.
- Risk of crushing injuries when closing drawers or doors.
- Keep operating instructions and safety information close to the workbench.
