Article Numbers: 156811, 156810, 156809, 156808, 156807

Safety Instructions:

- Choking hazard due to improper use of drawers and small parts: Always store safely to avoid risks.
- Risk of falling and tipping over: Only use the workbench on stable, level surfaces. Take care when using on uneven surfaces.
- Risk of injury due to improper use of the eccentric lever: Always check the correct position and observe the operating instructions.
- Maximum surface load: Do not exceed 450 kg when the chassis is extended and 1250 kg when compact to avoid damage and danger.
- Use on stable surfaces is mandatory: Check the position of the castors before use to ensure stability.
- Loose parts and chassis can pose a choking hazard: Avoid improper use.
- Noise nuisance may be caused by use on uneven surfaces: Use on smooth surfaces recommended.
- Provide clear safety information and follow the manufacturer's instructions.
- Workbench should never be used by children.
- Wear personal protective equipment when working with the workbench.
