Please note the technical data of the products!

Article Numbers: 187244, 187243, 187242, 187241

Safety Instructions:

- Caution: Contains small parts, could be a choking hazard. Not suitable for children under 3 years.
- Avoid contact with the eyes and make sure that the ink does not come into contact with the eyes and mouth, as it can be harmful to health.
- The ink is document-proof, but red ink could harbour chemical risks. Avoid direct contact with the skin and follow the instructions for the safe disposal of ink refills.
- After use, ensure that the cap is in place on the refill to prevent it from drying out.
- Do not use the refill beyond the recommended use to avoid damage or injury.
- For safe use, store the ink refills out of the reach of children.
