Article Numbers: 156827, 156826

Safety Instructions:

- Risk of suffocation due to improper use of the drawers.
- Risk of crushing when adjusting the height. Be careful to avoid crushing or injury.
- Risk of slipping on wet floors due to lack of non-slip materials.
- Load drawers with a maximum of 100 kg.
- No protection against electrical hazards as there are no electrical components.
- Ensure that the workbench is standing on a stable and level surface.
- Before use, ensure that all drawers and doors are properly closed to prevent them from tipping over.
- Do not exceed the maximum load of the drawers (100 kg) and the worktop (1250 kg).
- Place the workbench out of the reach of children and ensure that no small parts remain loose.
- The powder coating is environmentally friendly, but do not use any chemicals or cleaning agents that could damage the surface.
