

Product Safety Information

KYOCERA TK-5220 toner cartridge

Manufacturer/Responsible Person: UFP Deutschland GmbH, Carl-Friedrich-Gauß-Str. 11, 47475 Kamp-Lintfort, Deutschland
E-Mail: info@ufp.de

Please note the technical data of the products!

Article Numbers: 174167, 174166, 174165, 174164

Safety Instructions:

- Keep the product out of the reach of children.
- If handled improperly, toner can cause dust. Avoid direct contact with eyes and skin.
- Store in a cool, dry place at room temperature and away from direct light sources to ensure optimum performance.
- Dispose of toner cartridges properly in accordance with the applicable legal regulations on waste disposal and disposal methods for printed products.
- Only use with compatible printer models to avoid safety risks.
- If toner powder escapes, do not wash off with water. In case of skin contact, wash thoroughly with soap and water. In case of eye contact, rinse immediately with plenty of water and seek medical advice.
- Do not open or repair the toner cartridge; there is a risk of toner release if it is damaged. Protect against direct contact with toner particles; in the event of skin contact, rinse the affected area thoroughly with water immediately.
- Due to its chemical composition, do not allow toner residues to enter the environment; observe the relevant disposal guidelines.
