Please note the technical data of the products!

**Article Numbers:** 174170, 174169, 174168, 174163

### Safety Instructions:

- Product data such as the manufacturer's name and contact details must be clearly labelled on the packaging.
- Safety information in plain language should be made easily accessible to consumers.
- Health and safety risks must be clearly indicated, especially for dangerous products.
- If necessary, recall measures should be taken and consumers informed.
- Maintain product integrity during storage and transport.
- Keep toner cartridges away from children to avoid the risk of choking on small parts.
- Avoid direct skin contact with toner to prevent skin irritation or allergic reactions.
- Store the toner in a cool and dry place, protected from direct sunlight.
- Dispose of empty cartridges in accordance with local waste disposal regulations.
- Avoid toner contact with skin and eyes; in case of contact, rinse thoroughly with water.
- For safety reasons, the toner should only be used in ventilated rooms.
- Only use the toner in compatible printers to avoid the risk of overheating or fire.
