Safety Instructions:

- Not suitable for children under 3 years of age as there is a choking hazard due to small parts.
- Dispose of packaging safely to minimise environmental risks.
- Handle toner cartridges with care to avoid skin contact with the ingredients and wash hands thoroughly after contact with skin.
- When replacing the toner cartridge, take care not to short-circuit any contacts to avoid the risk of electric shock.
- Please read the instructions and safety information carefully before use.
- This product contains toner which may cause dust if inhaled. Do not inhale and work in a well-ventilated area when using.
- Keep the toner away from children and do not use it to make artwork or similar.
- Improper handling can damage the toner, which can cause the printer to malfunction and release dust and particles.
- Dispose of empty toner cartridges in accordance with local waste disposal regulations.
- Only use in print and colour-fast condition.
- Do not store near food or pets.
- Do not get on skin or in eyes.
