Article Number: 175824

Safety Instructions:

- The keypad is suitable for use in environments with high electrical stress. Ensure that the installation and use comply with the electrical safety requirements.
- The keyboard is not suitable for use under the supervision of children under 3 years of age, as it may contain small parts that could pose a choking hazard.
- Avoid using the keyboard in liquids or in a damp environment to prevent electrical damage or short circuits.
- Ensure that the USB port is not overloaded. Only use compatible devices with the keyboard to avoid possible damage.
