Article Numbers: 175823, 175822

Safety Instructions:

- Read the operating instructions before use.
- Do not expose the keypad to excessive moisture or extreme temperatures; avoid use in high humidity environments to prevent short circuits.
- If the keypad is damaged, discontinue use and contact the manufacturer.
- Keep the keyboard away from children, it is not suitable for children under 3 years of age as small parts can pose a choking hazard.
- Wait until the connection is fully established before using the keypad.
- Do not use the keyboard near water or liquids; keep the keyboard away from liquids to avoid water damage.
- Ensure that the USB connections are not damaged to avoid the risk of electric shock.
- The removable feet should be securely fastened to prevent the keyboard from slipping.
