Safety Instructions:

- Choking hazard for children due to small parts such as mouse buttons. Not suitable for children under 3 years of age.
- Risk of electric shock due to improper use of the USB port. Take care when using the electrical components.
- Risk of injury from the integrated trackball if used incorrectly. Using the trackball can lead to wrist strain, so take regular breaks.
- The product must be used in accordance with the manufacturer's instructions to ensure safe handling.
- Operating instructions in understandable language enclosed.
