Article Numbers: 309628, 309627, 309625, 309624, 309623, 309622, 309621, 309620

Safety Instructions:

- Risk of suffocation due to improper use or small parts. For commercial use only.
- Risk of injury due to insufficient grip, risk of slipping and tripping on slippery, wet or uneven surfaces. Check the sole for wear.
- Not suitable for use in water or in potentially explosive and extreme environments.
- Do not wear the shoes in extreme temperatures or on slippery, wet surfaces. Make sure that the shoe fits properly to avoid blisters.
- The shoes are suitable for commercial and industrial use, not for leisure use. Follow the care and storage instructions to maximise the service life.
- Avoid contact with aggressive chemicals. Check regularly for damage. Keep dry and store in a cool place.
- Only use the products for their intended purpose in accordance with EN ISO 20345-S1P.
