Article Number: 156838

Safety Instructions:

- Height-adjustable workbench: Make sure that the workbench is always stable when it is used at a different height.
- Maximum surface load of 1250 kg: Overloading can cause the workbench to break or tip over.
- Drawers with a load capacity of 100 kg: Careless use can lead to injuries if the drawers are overloaded.
- Central locking: Use the key to lock the vehicle to prevent unplanned access.
- Use of powder coating: Pay attention to coated surfaces during assembly and disassembly to prevent wear.
